OBJECTIVE

Seeking challenging and responsible position in an organization that provides an opportunity to utilize and expose my skills towards the development organization as well as growth of my career.

EXPERIENCE

Raaj Associates: Wholesale Medical Shop
Part-Time Sales and Inventory Assistant
May 2019 - November 2020

Part-time role as a Billing and Inventory Assistant, responsible for verifying bills, managing inventory, and handling customer transactions. Developed skills in billing, inventory management, and customer service.

Benz Electric and Plumbing Works
Full-time Assistant – Construction Services
May 2021 – May 2022

Full-time role providing electric and plumbing services for buildings under construction. Tasks included supporting installations and maintenance, ensuring projects were completed on time. Gained practical experience in construction services, along with teamwork and time management skills.

EXPOSURE

Academic Projects & Internships:

- **COMMUNITY SERVICE PROJECT**

Duration: 180 Hours
Team Size: 6 Members

Abstract: Gained experience in teaching the basic computer skills to newbies. As the team leader, organized and directed lessons on fundamental concepts such as hardware, software, and internet use.

- **PROMPT ENGINEERING**

Project Name: AARUHI BOT
Duration: 200 Hours
Contribution: 100%
Abstract: This project all about whipping up a Chatbot Web App with the Rasa framework, tapping into NASA APOD API to snag and show off the daily pic. The Chatbot dishes out the image, title, and a bit of conversation about it, giving folks an easy way to check out NASA latest space snaps.
